

Official marks were collected as seen below. Weather conditions were optimal 85° no precipitation with a 15-20 mph wind. 40 yard dash testing was ran with the wind.

40 yard dash- 2 attempts, total of 4 (hand timed) stop watches average of all four times being the official mark. The surface was field turf. Athletes wore cleats. Stop watches were started on athletes first movement and stopped when their hips broke the finish line.

Pro agility - 2 attempts, total of 4 (hand timed) stop watches average of all four times being the official mark. The surface was field turf. Athletes wore cleats. Stop watches were started on athletes first movement and stopped when their hips broke the finish line.

Broad Jump athletes were given two attempts. Official marks were the average between the two jumps.

Vertical Jump athletes were given two attempts. Official marks were the average between the two jumps.
